

Networking Texas Purebred Animal Rescuers!

This listing of all-species rescuers is provided as a community service.

Each rescuer determines their animals' fees for "re-homing."

National contacts are listed for each breed and their websites list local breed rescuers in your area.

RPOA Texas Outreach assumes no responsibility for information or animals received or re-homed from persons on this listing.

These contacts provide:

- Breed/species information and telephone consultation **BEFORE** getting a pet,
- Breed/species behavior and problem solving,

If there are any problems with these rescuers, send a written report to:

RPOA Texas Outreach, 900 NE Loop 410 #311-D, San Antonio, Texas 78209. Email: rpoa@texas.net
